PRIMUS ELITE/PEAF/CDSR – HOW TO FIND PART NUMBERS

March 13, 2018

Honeywell

Rev. 3/23/2020

Primus Elite/ PEAFF

Reference the Primus Elite/PEAF Pilot's Guide supplement for additional details

- **Display Unit Software Number** is on the DU MAINTENANCE page
 - Different options on how to get to the page:
 1. Select **MENU** button on the Controller, then **MAINT**

Bombardier
 GEX/G5000/XRS
Embraer
 Legacy 600/650
Dassault
 Falcon 900C/EX
Dornier
 Do 328

Gulfstream
 G IV/V

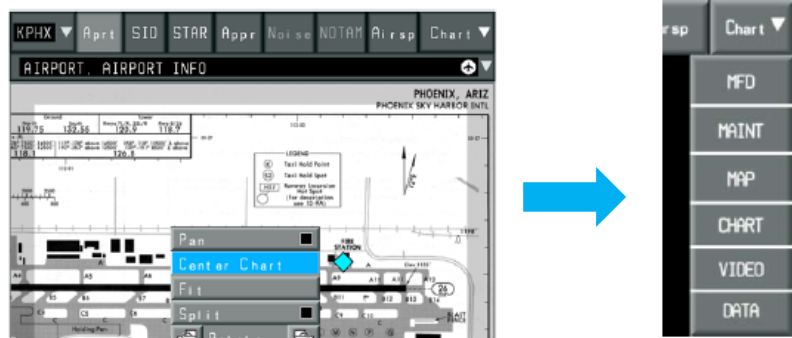

Cessna
 Citation models

Bombardier
 Lear 40/45

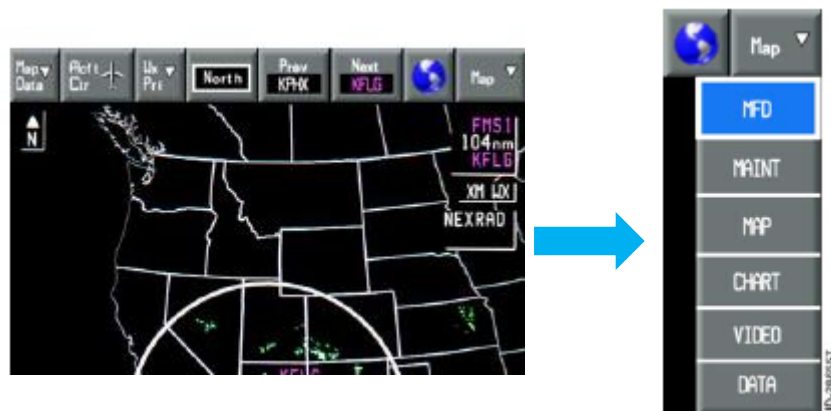

Primus Elite/PEAF

2. CHART or MAP tab dropdown menus, then MAINT

OR

Primus Elite/PEAF

- The **APP SELECT** dropdown menu on the VIDEO, Database Configuration, or DU Maintenance pages, then **MAINT**

Note: DU MAINTENANCE page is already showing the Display Unit(DU) Software Number(SW)

CDSR

- Unlike Primus Elite/PEAF, the display part number for the CDSR is not shown on the display. Customer can obtain the part number in the following two ways:
 - Remove the display from its position and read the part number from the tag
 - Obtain the part number from the aircraft equipment list

Primus Elite/PEAF/CDSR

- **FMS Software Number** is on the RETURN TO SERVICE page
